# Developing Effective Rubrics

Lunch and Learn Roundtable

Ana Teixeira, Lecturer of Portuguese

Department of Spanish and Portuguese  
Emory University

Wednesday, September 9, 2015

12:00 - 1:00 pm

Modern Languages Building room 201

This workshop is meant to be a collaborative discussion on how to develop and use effective rubrics. We'll begin our workshop by addressing how to create a document that both articulates the expectations for an assignment and assists the instructor in providing meaningful feedback that doesn't require endless hours of work. We'll discuss how assessment must be connected to course objectives and how instructors can use rubrics to evaluate not only students' work but also their progress. We encourage participants to bring their own materials (syllabi and rubrics) as we'll have an opportunity to break into groups and provide each other with feedback and suggestions for improvement.

Please RSVP for a meal with Sarah Shortt at [sshortt@emory.edu](mailto:sshortt@emory.edu) or (404) 727-8319 by September 7, 2015.
